

# Yorkton Superannuated Teachers of Saskatchewan Bowling League

## September 2024- April 2025

*Welcome to the 2024-25 Bowling Season!*

**Bowling Etiquette:** Please remember.....

1) When two bowlers are ready to throw the ball at the same time you must yield to the right. **If he/she does not wish to throw first at that moment, do not wait, just go ahead and throw your turn.**

2) After you throw, return to the monitor. If waiting to throw, stand back near the monitor.

3) Try not to loft the ball.

4) Socialize and have fun! We are all “professionals” but this is not a professional league.

**Executive:** Sharon Pfeifer, John Tropin, Don Pfeifer, Terri Mitchell

**Membership:** Superannuated teachers and/or spouses—friends and acquaintances of retired teachers are also welcome.

**Dates/Times:** 9:30 am to 11:30 am on Wednesdays starting September 18, 2024 to second week of April 2025

Total-- 30 weeks

**Fees:**

***Credit Cards Accepted***

**Payment options (choose one):**

a) Full year-- \$360.00

b) Installments--first half (\$180.00) due ASAP; second half (\$180.00) due after Christmas

*Should bowlers wish to join the league mid-season due to health issues, work commitments etc., every effort will be made to accommodate them, and fees will be pro-rated. However, those wishing to do so must first get approval from the executive and the bowl arena management.*

*Bowlers wishing to join for only half of the year can be accommodated as well.*

**Selection of Teams:**

Every attempt will be made to make up teams of a co-ed nature consisting of high, medium and low averages. All team standings are based on handicaps so all teams are equalized as much as possible. So just enjoy bowling regardless of your scores!!

**Statistics:** are looked after by the bowl arena staff and are available for viewing every week.

**Absenteeism:** If you are unable to bowl on any given week you may **roll ahead** by calling the bowl arena and making arrangements (306-783-5183). If you are unable to roll ahead, your average will simply be used for the games you are missing that week.

**Shoes:** bowling shoes are your responsibility.....buy, rent (\$2.50/week) or.....steal!

**Refreshments:** are available from the Bowl Arena concession. No outside drinks, please. Do not bring your own coffee.

**Fun Times:** Free game coupons from the Bowl Arena in recognition of birthdays may be used anytime.

**Howland's Honey** will once again provide us with a container of honey for our weekly "**Honey**" Award given to the person with the most pins over average. Enjoy!

The **year-end social and awards luncheon** will once again be held after the final day of roll offs at the end of the season.

*Have a great 2024-2025 bowling season!*
